# A day of fun for a great cause

**T**he third annual Golf For Life Tournament was held last Tuesday at the Carlisle Golf and Country Club, Carlisle. Walter Gretzky was Honorary Chairman and former hockey great Dennis Hull was the after-dinner speaker. The day included golf, longest drive, holes-in-one and nearest-to-the-pin competitions, and a silent auction.

The proceeds from the tournament help support the Hamilton Hospitals Family Homes, Mark Peerce Family House.

Dr. Mark Peerce was a physician in the Critical Care Units in the Hamilton Hospitals and helped to organize the Critical Care Transport Team. He passed away in December 1997, due to malignant melanoma.

During his treatment in Pittsburgh he and his family were housed at a Family House.

Below: Dr. Christine Bradley, Chester Waxman, and Conrad Furey.
